To Whom It May Concern:

This letter is to advise that Hellen Pachon was admitted to Broward Health North on 1/26/2023 following a motorcycle crash. Ms. Pachon's mother, Paola Andrea Duran Rico, resides in Colombia and should be granted permission to come to the United States to be with her daughter. Ms. Pachon has life threatening injuries and is in critical condition.

If you require more specific information about Ms. Pachon's medical conditions, you will have to obtain consent from her family to speak with myself or the other physicians on her case.

Sincerely,
